He will send his revision back to the board and Marcia will include it in the final report and submit it to Meg McCarthy, Mixer Editor.

Shelby Brimmer was not present as scheduled.

David Elliott stated there is a driveway permit application by Mohammad Vazziri for property on Gilbert Road. It has recently come to light that Gilbert Road is not part of the Town highway system. Gilbert is an old road, Town Highway 25, that the select board attempted to bring back into the system in 1971. However, there is a letter from the state indicating that the select board had to satisfy the condition that the board certify to the state that the road had been maintained for x number of years. The condition was not fulfilled. The present board signed the permit and returned the check to the applicant. David will talk with the landowner regarding the best way to construct the driveway. The select board will wait to hear from David regarding the process suggested by the state to bring Gilbert Road into the system.

David reported he has asked for bids in for the structures grant projects and he will report back at the next meeting on June 18.
