

TOWN OF MARLBORO
CONSERVATION COMMISSION MEETING
Monday, May 14th, 2018
7:00 PM
Town Office, South Road

AGENDA

- Welcome visiting members from neighboring Town CCs, PCs and conservation groups of the SE VT wildlife habitat linkage from MA and the Green Mountains.
- Collaboratively discuss the wildlife habitat connectivity context of our area.
- Consider whether and potentially how to proceed with exploring collaborative inter~municipal wildlife habitat connectivity conservation planning for our area.
- Open discussion of any other potential collaborative opportunities between Towns in our area.
- Review and approve minutes from last meeting (09~Apr~18).
- Open discussion of potential new business.
- Update on consultation with Marlboro College on the siting of a potential major ski trail clearing project with respect to wildlife connectivity habitat.
- Update on Town~wide invasive species monitoring Summer project being undertaken by Marlboro College student Ryan Stampfli.
- Update on outreach to explore collaboration with nearby Towns within the MA~Green Mountain habitat linkage area of SE Vermont.
- Organize Marlboro CC representatives to accept Guilford CC invitation to discuss area connectivity conservation planning at their May 17th meeting (5~6:30p).
-
- Discuss whether to consider a future resolution in support of Vermont deer overpopulation management recommendations advocated by Lynne Levine:
<https://youtu.be/GYa9287kiW>
- Consider whether to focus next meeting on remapping wildlife road crossings and identifying corridors between them, and administering the CC budget.
- Organize Minutes taking for future meetings.
