

Marlboro Conservation Commission

Minutes for Wednesday October 7, 2015

Those Attending: Adam Gebb, Dante Corsano, Jim Irish, Charlie Schneeweis and George Leoniak

Invasive Plant Species...

We discussed the patterns of invasive species infestations around town and what would be reasonable as a strategy for the town on the topic. We will report back with the details at the Select Board Meeting on Thursday October 22 at 5:20pm

Wildlife Road Crossings...

We reviewed descriptions , visit counts and other data on the crossings. We will have a document for the Planning Board on this topic in the next couple months.

Respectfully Submitted,

Adam Gebb
