

TOWN OF MARLBORO
CONSERVATION COMMISSION MEETING
Monday, April 10, 2017
6:30 PM
100 mile view, Rt. 9 at the Natural History Museum

AGENDA

- Report from Ashley and discussion of the Regional Meeting of Conservation Commissions and Environmental Groups/Agencies.

- Input to Hogback Preservation Committee.
- Word on next Planning Commission hearing on wildlife zoning ,Tue April 25th.
- Review additional currently defined road crossings and consider recommending more to account for present wildlife activity and likely climate changes.
- Investigate the possibility of creating an optional tax reduction and roadway crossing habitat protection program in Marlboro.
- Briefly discuss how we'd like to arrange facilitation of our future meetings (on a rotating basis? by an individual or by a team?).
- Consider whether to offer input to the Select Board on appropriate invasive Japanese Knotweed control methodologies (they're wondering about chemical means).
