Public Hearing

As there were no additional comments or concerns raised at the Hearing, Patti will report this to the Select Board at their special meeting January 31st. Staley will email existing proposed Bylaws for posting on the Town's website.

Don asked how residents who had attended prior Public Hearings would know about changes made. Town has decided not to mail a copy of proposed Bylaws to all residents but it has been posted on the Town's website along with a summary of the changes.

There being no other business, special meeting was adjourned at 5:30.

Next meeting will be February 13 at 5:00 pm in Town office.
