Old Business

Nothing to re-address at this time

New Business

- HPC/HMCA combining? – do we combine with HMCA and dissolve HPC?
 - HMCA would need a structure in place to combine the 2 organizations. Need to gain consensus from both organizations and then need to see what a structure would look like.
 - Would need to work with HMCA how/what it would look like to make suggestions to Selectboard. – Gather valid and pertinent information for the selectboard to review.
 - Meeting suggested with HPC and HMCA for a continued discussion.
 - Will invite HMCA at next HPC meeting - **Sept 13, Monday, 5:00pm** - to discuss this possible venture.

Adjournment: 5:30pm
