Update on employment search for additional Road Crew Member

Board was advised that David Elliot has put forward four solid candidates to enter the interview process. As the Board is set for its reorganization with potential new members pending Town Meeting Day voting, prior to setting interview dates, the Board directed Nick to reach out to new potential Select Board Member to see how their schedule matches up with the other Board members to arrange a good date and time for the interviews.

Certificate of Town Road and Bridge Standards

Nick briefly reviewed the document on the Town roads and bridges to be filed with the State and noted that he would get with David Elliot to complete the form and provide for Select Board signatures.

Recycling

The Board briefly discussed an issue with inappropriate items being placed in the recycling containers and agreed to monitor the situation to see if it was just an oversight by a resident or is an ongoing problem that needs to be addressed via increased signage and notices to the residents.
