Planning and Conservation Commission:

The energy committee will continue to find ways to connect and collaborate with these two committees. Might we have shared quarterly meetings and work to develop shared goals, perhaps using Elizabeth Sawain's tools on her website?

Marlboro Energy Fair, October 28th from 10-2:

Jesslyn from the Junior High reached out to Kate, Robin will follow up.

Kate spoke to Will Shakespear about having the volunteer fire department do some kind of food fundraiser at the fair.

The committee went through our fair planning spreadsheet.

Ryan- Can we get posters?

Should we buy masks for the fair to prevent covid spread?

Tamara will send our event for the Common's Calendar.

Jesse L. may be able to provide music.

If no local group wants to sell food as a fundraiser the committee agreed that we should buy something (cider and donuts? soup? Pizza?) Perhaps Smokin J's
