6:09pm: called to order by Chair

6:15pm: August's Minutes Unanimously Approved

6:20pm Identify Any Changes to the Agenda: None

Scheduled Business

- The main thrust of this meeting was to discuss and delegate tasks relevant to preparation for the Marlboro Fair. **Eva** will print out a town road map and collect names of volunteers to participate in the Ash Tree Inventory. **Eva** will photocopy relevant Ash Borer info/faq sheets for table at fair. **Eva** will scan copies of info/faq sheets and send to Nick to put on the CC website. **Hannah** will make a sign or banner or activity for the table and will print copies of the as-yet-unpublished invasive species article. **Eva** and **Hannah** will also each bring a folding table. **Lindy** will bring a clipboard to help enlist and record names of prospective new CC members. **Everyone** will bring chairs.
- There was a brief discussion related to recent correspondence with the Energy Committee surrounding their October 28th Energy Fair and the overlapping interests of the 2 committees in town solar arrays. As the Town intends to emphasize renewable energy projects, what do we think? CC members initiated conversation about its role at the Energy Fair – to be present and to have literature on pros/cons of solar fields. **Everyone** will initiate research into solar fields. Is there a solar expert to have at a CC meeting? What questions would be relevant?

New Business

- Odds-and-ends at the end of the meeting: **Lindy** will email Nick an inquiry about petty cash for CC for printing needs, etc. Brief discussion about next steps re: beaver deceiver field trip. **Lindy** will have a conversation with SB re: beaver deceivers and **Lindy** will compose an email regarding the scheduling of the beaver deceiver field trip. **Lindy** will get 2 hard copies of the Town Plan. **Eva** will coordinate with Lucia about Facebook page log-in info and give said info to Hannah asap. **Eva** will email Nick re: exit of Emily and Lucia from CC. Brief discussion about attending county-wide CC gathering in Dummerston.

Meeting adjourned 7:05pm.
