

Energy Committee Meeting

Date: July 8, 2024

Present: Ryan, Erika, Robin, Kate, Tamara

Minutes

1. Accepted minutes from June meeting
2. Marlboro Fair: Sept. 14th – Sat. Yes, we will be there and will invite people to fill up approximately 6-8 tables, Kate will attend the fair committee meeting on July 22 (Erika will provide details) We have the spreadsheet from last year and have agreed to reach out to: Efficiency VT, Green Mountain Power, Rich Earth, Cold Flame Mechanical, Southern Vt Solar, Farnum, Window Dressers
 - All of us are available to be there at least part of the day but Erika busy with other thingsErika sent out last year's spreadsheet as well as a blank for this year
3. Book Club –The book we have chosen is “All We Can Save” edited by Ayana Elizabeth Johnson & Katharine K Wilkinson. Erika will check with Jamie Tanner about this and buying the book from Everyone's Books.
4. Funds - \$4,000 to spend books and speakers to help get more info on specific energy goals in place by getting surveys out to town citizens and then exploring the results. Start by buying books and arranging survey placement and facilitating conversations around community solar and ev chargers in town.
5. Erika will reach out to Green Mountain Solar who is interested in working with us.
6. Robin: Made our own FB energy committee page – and all be collaborators, - sign up on fb
7. Meeting Times: Next month – August 12th at 6pm
